Dear Patients,

Effective today, Dr. Payton Reiter will no longer be practicing at Victory Medical. While Dr. Reiter will not be available to provide your medical care, we have several other physicians and mid-level providers who will be assuming care for her existing patients. All providers at Victory Medical have access to your medical records through our electronic medical record system which will ensure a seamless transition and avoid any interruption to your care.

Please contact our office to establish with a different Victory Medical provider at our Victory Drive or Westlake Hills office locations. Please do not hesitate to contact our office with any questions you may have about your healthcare.

Thank you for trusting Victory Medical to care for you and your family.

Sincerely,

The Physicians and Staff of Victory Medical
