Dear Patients,

Dr. Oscar Molina will be leaving Victory Medical. His last day with us will be June 20, 2024 . We are grateful for the time he was with our practice and wish him the very best in his next endeavor.

While Dr. Molina will no longer provide your medical care, we have several other physicians and mid-level providers ready to deliver exceptional care for patients. All providers at Victory Medical have access to your medical records through our electronic medical record system which will ensure a seamless transition and avoid any interruption to your care. Victory Medical retains custodianship of all medical records. Please contact our office to establish with a different Victory Medical provider at our Victory Drive or Westlake Hills office locations. Do not hesitate to contact our office with any questions you may have about your healthcare.

Thank you for trusting Victory Medical to care for you and your family.

Sincerely,

The Physicians and Staff of Victory Medical
